

Acknowledgement of refereeing work for SORT: 2003-2007

The quality of a journal depends to a large extent on proper reviewing. The Editor in Chief, the Production Editor and the Executive Editors thank all of those who have given their time to referee papers submitted to SORT.

Other SORT collaborators: 2003-2007

SORT would also like to thank the technical and administrative support in developing the journal's content that has been provided by Elisabet Aznar, responsible for the secretary and technical management associated with the Statistical Institute of Catalonia and Mercè Aicart, responsible for composition.

We would also like to express our appreciation for the participation of Ignasi González, Xavier Martín, Francesc Nogueras, Imma Paltre and Núria Ruiz of the Statistical Institute of Catalonia. Through their collaboration the Institute has managed to achieve a relevant dissemination of the journal.
